About the Book

"Sherrie Flick is, like every great writer, a sublime noticer. The rich bounty of stories in *Thank Your Lucky Stars* is a testament to the raw power of her attention, her imagination, and her compassion. Her range is also astonishing. She veers from realism to fabulism to naturalism, from crickets to cowboys to fake farmers, with special commendations for those ready and willing to risk their heart for a bit more out of life. I was reminded of so many of my favorite story writers, from Grace Paley to Aimee Bender to Raymond Carver. But mostly, I was reminded of Sherrie Flick." —**Steve Almond**
