Autumn House Press is pleased to announce the upcoming release of Hadley Moore's debut short story collection, *Not Dead Yet and Other Stories*.

*Not Dead Yet* studies the uncertainties of loss, turning a gaze toward the often-silenced voices of the infirm, elderly, and adolescent. Rich in humor and honesty, Hadley Moore's debut collection of short stories presents a contemporary set of narratives from a lush cast of characters. We find the protagonists of her stories tenderly revealing their pain after the loss of loved ones and coping with the voids left by the passing of youth, happiness, and fulfillment. **Dana Johnson selected *Not Dead Yet and Other Stories* as the 2018 winner of the Autumn House Fiction Prize.**

Rebecca Lee writes of Moore's debut, "This electrifying collection of nine stories stunned me—each story is so differently alive. The whole collection abounds in a love of language, and I felt throughout the total pleasure of watching an attentive, sometimes reckless, big-hearted, intelligent, and masterful storyteller work her way through endlessly interesting territory."
